MEMORANDUM FOR: Assistant for Administration

ATTENTION : Chief, Logistics Branch

SUBJECT : Dimensional Limitation of Equipment for Movement
Within NPIC

1. This Staff has currently under development a piece of equipment having over all design dimensions of 98.625 inches long by 79.625 inches high by 45 inches wide. As currently designed it is required that this instrument be handled in an upright position.

2. This equipment is destined for movement to Room 4N411 around the first of May 1964, however, if any change is to be made in the overall length of this item such information and dimensional limitations need to be known within the next 15 days.

3. Please advise this office of the maximum over-all dimensions permissible for movement of this item into the designated area.
